**LEGENDARY STEVIE NICKS KICKS OFF SUMMER TOUR AT
HARD ROCK HOTEL AND CASINO BILOXI
VIP Tickets On Sale March 13th, General Admission On Sale March 15th**

Biloxi, Mississippi March 12, 2008 – The legendary singer songwriter Stevie Nicks has announced she will debut her highly-anticipated “A Very Special Evening with Stevie Nicks” tour on June 5, 2008 at the Hard Rock Hotel & Casino Biloxi.

The Hard Rock Biloxi property that was fully restored last July after being initially destroyed in the wake of Katrina, proudly welcomes the singer whose contributions to the music world have weathered the storm of thirty years worth of industry changes. Continuing to take on the South, the tour will then resume at the Hard Rock Hotel & Casino Biloxi’s sister property- Seminole Hard Rock Hotel & Casino in Hollywood, Florida.

With a successful career long enough to bridge generational divides under her belt, Stevie Nicks returns to the music scene with an appeal that has resonated for over three decades with fans of all ages. As a member of Fleetwood Mac, Nicks is both a “Rock and Roll Hall of Famer” and Grammy winner. The philanthropic chanteuse is kicking off her latest tour to follow on the heels of her remixed single “Stand Back” and its remarkable success as it was re-released to Billboard acclaim in 2007. Mainly though, this tour will pay homage to Nicks’ most memorable and impressionable recordings - all of which are included on the singer’s newest album: *Crystal Visions: The Very Best of Stevie Nicks*, which will be released by Reprise Records on March 27th. The DVD component of the release is set to feature Nicks’ own voice-over commentary, 13 music videos and never-before-seen behind the scenes footage of the making of *Bella Donna*, which went platinum five times.

“A Very Special Evening with Stevie Nicks” will feature major hit singles like “Dreams” and “Rhiannon” both of which made Nicks a focal point of Fleetwood Mac. In 1981 she took time off from the group to record her solo debut, *Bella Donna*, which hit Number One on the strength of the Top 20 hits “Stop Draggin’ My Heart Around”, “Leather and Lace” and “Edge of Seventeen.” After a return to Fleetwood Mac for the 1982 album *Mirage* (which featured her hit “Gypsy”), Nicks released her second solo effort, *The Wild Heart*, highlighted by the Top Five smash “Stand Back.”

Ticket prices start at \$125 for general admission on March 15th with special VIP Balcony seat tickets available for purchase March 13th and 14th. Over 1600 tickets in total are for sale and are expected to sell-out fast. Visit HardRockBiloxi.com to buy.
