**Hard Rock Casino Biloxi awards lucky patron with
\$3.3 million Wheel of Fortune® MegaJackpot®**

BILOXI, Miss. (May 11, 2009) – A 48-year-old woman won the \$3,306,261 Wheel of Fortune® quarters state-wide progressive slot MegaJackpot® while playing one of the popular machine at the Hard Rock Hotel and Casino Biloxi on Saturday night. The winner wishes to remain anonymous.

The winner was visiting the Hard Rock Hotel and Casino Biloxi, her favorite gaming destination, for fun and relaxation when she won the huge prize. She had played only \$20 before she hit the statewide progressive MegaJackpot®.

“This is the only place I play because I’ve always had a good feeling here,” said the excited winner after IGT Technicians and Mississippi State Gaming officials verified the jackpot. “My boyfriend told me that he was going to win tonight, but instead he’s very happy for me to be the lucky winner.”

When asked what she will do with her winnings, the lucky patron said that she plans to put it into savings and continue working at her present job.

This is the fourth MegaJackpot® awarded in Mississippi this year, bringing the state’s total to just more than \$18.8 million in 2009.

All IGT MegaJackpots® are paid in annual installments upon verification by IGT technicians and the Louisiana State Police, except Instant Winners™ MegaJackpots® and Rapid Riches MegaJackpots®, which are paid in their entirety upon verification.
